

**My name is Mark Sands, and I am a certified, professional firearms instructor. Before my retirement as a Lexington Police Officer, I was the Emergency Response Unit (SWAT) Coordinator. In this position, I was responsible for training all team members in handgun, shotgun, MP5 submachine gun, patrol rifle, and precision rifle.**

**My specialty is teaching private firearms lessons to students with novice to experienced level shooting skills. I started teaching firearms in 1975 and since then I have enjoyed improving the shooting skills of thousands of police, military, and civilian students.**

**If you would like to become a more knowledgeable, safer, and proficient shooter, please contact me at one of the three ways listed below on my business card. I will send you the information that describes the specifics of taking private firearms lessons with me. Please leave a message if I am not immediately available by phone. I will return your call as soon as possible. Thank you and I look forward to hearing back from you.**
